If you have more than one claim, specify each of the claims as above. If necessary use a separate page submitted as an attachment.

Provide a brief explanation below if the claim was originally a non-monetary claim:

We have security for the above stated claim in the form of:

Description of the security, whether the security is on the assets of the debtor or of a third party, whether the security has legal protection, for example in the form of registration, and when this legal protection took effect. Any documentation of the security should also be attached, for example copies of mortgage bonds, mortgage certificates and the like. State whether any other party than the debtor is liable for the claim.

The following is enclosed as documentation of the claim:

Enclose for example copies of agreements, receipts, invoices or other evidence of the outstanding claim.

In our view the claim has _____ priority in the bankruptcy estate.

Enter first or second priority if you are of the view that the claim has priority, cf. Chapter 9 of the Creditors Recovery Act.
