

Ballongfararsteinen

Merka turstig

Her enda ferda for to franske menn som kom med luftballong frå eit beleira Paris november 1870. Planen var at dei skulle lande like utenfor Paris, men ferda endte på Lifjell. Ein minnestein er reist om denne hendinga.

French balloon-touchdown in 1870. Two french soldiers from the French-german war fled from a sieged Paris and ended their journey here at Lifjell in november 1870. This is the first known airborne journey over Norway in the history.
